

H. H. Franklin Westrek

Buellton, Ca. June 9-14, 2019

Initial registration form and Information

The year is 1970, and a small gathering of Franklin club members met in Fresno California to start the 1st organized "West Coast Meet" a.k.a. the Franklin Westrek. Now 50 years later we head to Buellton California to celebrate this milestone! Are you coming?

The little town of Buellton, located off U.S. 101 and CA state route 246 is 138 miles north of Los Angeles and 294 south of San Francisco. A gateway to the agricultural Santa Ynez valley, Buellton served as the backdrop for the 2004 movie, Sideways showcasing over 200 wineries and tasting rooms. Nearby Solvang offers a taste of old world Denmark.

Our 5 day driving tour will encompass the agricultural areas known for seed bearing flowers, viticulture, numerous apple farms, abundant horse stables and vegetable row crops. There will be the gratuitous stops at a museum, a mission and other surprises.

Average summer June weather for the area range from partly cloudy to full sun, with temps in the 90s – mid 70's during the day and mid 50's during the evenings.

We are touring Vandenberg Airforce Base, an active-duty military installation, visiting the historic boat house and base museum. The MAIN REQUIREMENT for entering the base requires early registration information provided by you to us, the coordinators. This information is sent to the base for background checks PRIOR to entering the base. See page 3 for more information.

We will visit Hearst Castle in San Simeon. The driving distance from Buellton to Hearst is 105 miles one way and we are requesting you drive your modern car and possibly carpool with others. See Page 4 for more info. If you have visited Hearst already, and do not want to tour, there will be an alternate tour available for that day.

Lodging information for the hotel and RV Park on are Page 2. Please make your reservations.

A final registration with complete costs, meal choices and touring details will be sent in a few months.
