Howdy "CITY SLICKERS! Great news fer y'all, we're puttin on another shindig. Oh no, not these guys again? Mosey on down to the H.H. Franklin Club's 57th Westrek in Kanab, Utah!

The town of 4,300 peeps sits at the hub of the southwest's national parks i.e. north rim of the Grand Canyon, Bryce Canyon, and Zion - part of Utah's Mighty Five. Located 7 miles north of the Arizona border and is centrally located between these large airport hubs of Las Vegas (203 mi), Salt Lake City (313 mi) and Phoenix (345 mi) on U.S. highway 89. The town's altitude is 4970 feet above sea level.
